4. TERMS AND CONDITIONS

Client shall not use or make reference of the BMM Certification or refer to BMM in any manner, in advertising, promotional, or other material that implies endorsement or approval of any Product by BMM beyond a determination of compliance with the certified Technical Standards. Client shall not use or make reference to its Product certification in such a manner as to bring BMM into disrepute and shall not make any statement regarding its certification which BMM may consider misleading or unauthorized. Client shall only use or make reference to the certification to indicate the Product certified is in conformity with the specified Certification Technical Standards.

Client must not use under any circumstances the ENAC accreditation mark.

If Client applies the certification to Products that do not comply with the certification Technical Standards or otherwise uses the Certification not in accordance with this Agreement, Client acknowledges that this certification may be withdrawn or suspended by BMM.

Client shall upon suspension or withdrawal of certification, discontinue its use of all advertising material that contains reference to the certification.

If the Certification Technical Standards for a Product are modified, BMM shall notify the Client of the date beyond which the Certification may no longer be applied to the Product in the absence of recertification of the Product to the modified Certified Technical Standards.

In instances where certification documentation will be distributed, Client agrees to reproduce certification documentation only in its entirety.

Please feel free to contact BMM Testlabs if you have any questions regarding this certification report.

Yours sincerely,

Lorenzo Piazza
